

Wife of Powers Quits Hospital

Associated Press

Barbara Powers, wife of U2 pilot Francis Gary Powers, has been discharged from Georgetown University Hospital.

The 27-year-old Mrs. Powers was taken to the hospital in a coma last Friday. The nature of her illness is still something of a mystery.

When Mrs. Powers was admitted to the hospital, police said she was reported to have taken an overdose of a sleep-inducing barbiturate. A hospital spokesman said no diagnosis of her illness had been made.
